

When you, as an owner, will be visiting the property in a rental vehicle, it does not need to be registered in My Garage. To maintain integrity in the system, this type of registration cannot be edited after completion. Once logged in, a list of your registrations will be displayed. Click the **Create Registration** button to begin creating a new registration.

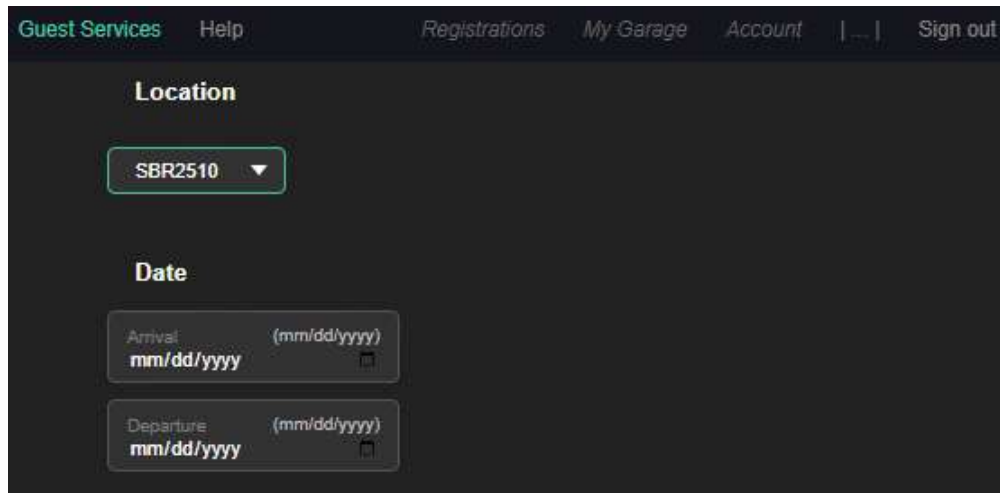

Select the **Owner Rental*** option for Type. The circle indicator will change colors to show which option you have chosen.

** Use of this registration for paying guests constitutes a violation of the Terms and Conditions of GuestSVCS and may result in actions being taken by GuestSVCS and/or the HOA.*

Scroll or Page Down to continue.

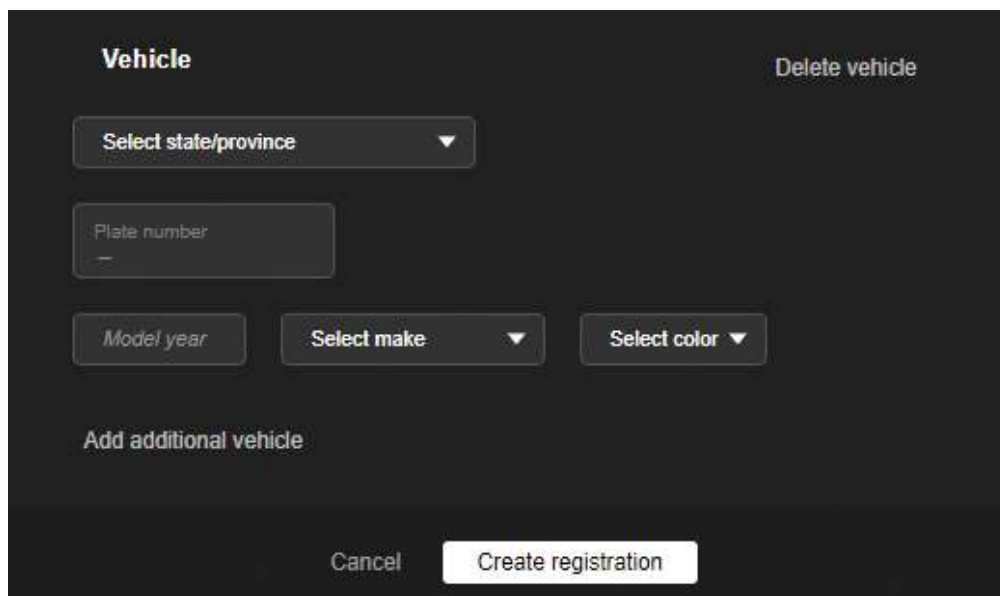

Select the applicable **Unit** number and input or select the **Dates** of stay (max. 90) using the calendar tool. Scroll or Page Down to continue.

The screenshot shows a dark-themed web interface for creating a registration. At the top, there is a navigation bar with links for "Guest Services", "Help", "Registrations", "My Garage", "Account", and "Sign out". Below the navigation bar, the "Location" section features a dropdown menu with "SBR2510" selected. The "Date" section contains two input fields: "Arrival" and "Departure", both with a placeholder "mm/dd/yyyy" and a calendar icon to the right.

Enter vehicle information (all fields are required). No more than one vehicle can be entered with this registration type. Click **Create registration** to complete.

The screenshot shows the "Vehicle" section of the registration form. It includes a "Delete vehicle" link in the top right corner. The form contains several input fields: a dropdown menu for "Select state/province", a text input for "Plate number", a text input for "Model year", a dropdown menu for "Select make", and a dropdown menu for "Select color". At the bottom of the form, there is a link for "Add additional vehicle" and two buttons: "Cancel" and "Create registration".
